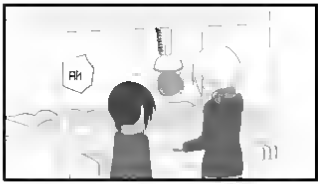
Explanation

Rabbit and tortoise

Uh-huh.
Well I actually am going to play though.
I was on my way to the bookshop and saw an oddity that caught my attention, I wasn't trying to go and play in the arcade on my way home from school!
Ah I see-
Hey!

Policy

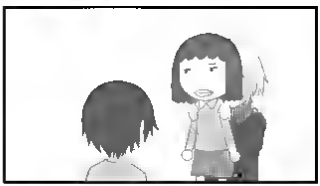


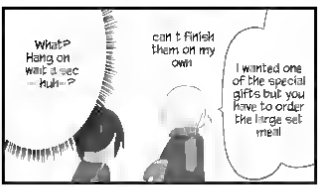
Spare the yammering

The rationale behind the choices

Interest

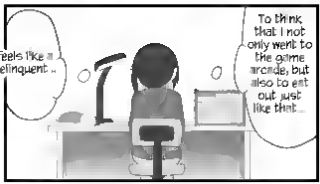
Delivery	MokkuBurger



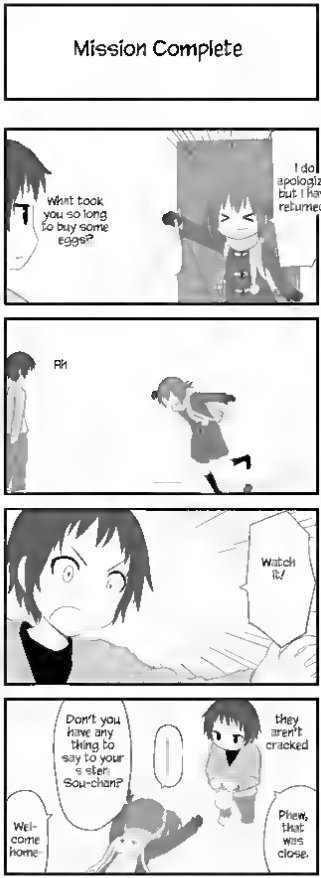


What? Hang on wait a sec —huh—?
can't finish them on my own
I wanted one of the special gifts but you have to order the large set meal!

Revision



It's other people's house



Mission Complete
What took you so long to buy some eggs?
I do apologize but I have returned!
Ah
Watch it!
they aren't cracked
Don't you have any thing to say to your s ster Sou-chan?
Phew, that was close.
Wel- come home.

Oh yeah sure! Bring it on!
Care for a snowball fight?
